

# MODEL 250

(Main Frame Part No. MF-50)

This unit is designed for "single-wide" handling. Folding Forks cannot be furnished on this model.

The "Telescoping Top Extension" makes it possible to "Top Handle" "Folded Cap" cartons ranging in height from 18" to 84".

Removing the Model 250 may be accomplished in only a few minutes, if fork handling is required.
